Ride Review and Photos**

**Saturday, June 13<sup>th</sup> was the date for our Up the Creek to Cottonwood Ride.**

**Ride Hosts, The Captain and Lynne Whitcomb planned a really scenic cool ride up the Beeline Hwy, through Payson, Camp Verde and into the town of Cornville for a fantastic lunch stop at the Up The Creek Grill & Bar.**

**The food was delicious, the service was excellent and everyone enjoyed a delightful festive lunch. The lunch was topped off with a decadent birthday cake provided by Toni Walker and Gustavo in celebration of the June Birthdays.**

**Following lunch, the members scattered in all directions for the open return ride home. One group of riders continued on to Prescott for an overnight stay, and a party on Whiskey Row.**

**All of the participating members would like to extend their appreciation to Hosts Alan, Captain American Wagener and Lynne Whitcomb for planning and hosting a wonderful June ride and delightful lunch destination.**

**Thank you so much!**
