

## **Red Onion Ride Review and Photos**

**On Saturday morning May 17<sup>th</sup> , 52 excited members met at the departure point on another beautiful Arizona morning for the 3<sup>rd</sup> Saturday of the month Day Ride, The Red Onion Ride.**

**The riders were welcomed by Ride Hosts, Phil & Leslie Jensen. Following an excellent informative pre-ride briefing, by Phil & Leslie, the members were directed to one of the three pre-assigned riding groups in preparation for departure.**

**The groups enjoyed the delightful morning temperature and beautiful scenic ride up the Bee Line Hwy. The riders made a gas/bio stop in Payson and then it was up Arizona Hwy 260 toward Heber-Overgaard.**

**The traffic was light, the weather was clear and cool and the scenery was fantastic, it was a great day to be out on the bikes. When the riders arrived at the Red Onion Restaurant in Heber-Overgaard, the friendly efficient staff were ready for us as we were directed to a reserved dining room. Beverages were delivered quickly, as the servers took lunch orders and soon the room was filled with an assortment of delicious lunch selections.**

**The Red Onion is noted for their famous BBQ burgers, and most of the members opted for the burgers and they were not disappointed, they were great.**

**As the riders were finishing up their lunch, Leslie made the rounds with a yummy assortment of cookies for everyone's enjoyment. Following lunch, the riders gathered into small groups for the open return ride home, with a stop in Payson to top/off, hydrate, soak up the cool snakes and cool vests in preparation for the return to the warmer temperatures in Phoenix.**

**All of the participants would like to thank Ride Hosts Phil and Leslie for planning and hosting this really Enjoyable 3rd Saturday Ride.**

**Thanks guys it was great...**
