

2014 BMMC Christmas Party Event Review and Photos

Saturday, December 6th, was a busy day for BMMC Members. Following our Christmas breakfast meeting, and our Food/Toy Drive, (88) festive members gathered that evening at the beautiful ACC Banquet Hall for our BMMC Christmas Party.

The members were greeted by event Chairperson's, Don Reed & Mahree Morin, Kerry & Donna Faye deKergommeaux and Wayne & Leslie Winslow. As the guests entered the lovely Hall, the mood was set for the evening by the festive holiday decorations and the wonderful ambience of the room.

The evening began with a lively cocktail party, complete with butler passed delicious appetizers. Everyone enjoyed the opportunity to socialize with old friends, and meet new friends as they were treated to music selections from the evening's entertainment, BMMC Member, Don Morosic and his band the Main Event Swing Band. . Soon it was time for the guests to be seated for dinner and tables were called as a bountiful delicious buffet was presented for their pleasure.

After a leisurely dinner, complete with decadent desserts, It was "TIME TO PARTY!" Don Morosic cranked up the Band and everyone moved to the dance floor and the party kicked into high gear, and stayed in High Gear for the balance of the evening. Most people never left the dance floor as Don & the Band cranked out song after song for their dancing and listening enjoyment. It was truly, one hell of a party.

We would like to express our appreciation to Don & Mahree, Kerry & Donna Faye and Wayne & Leslie for their many hours of dedication to bring us the 2014 Christmas Party. Also, a special thanks to Don Morosic and his Main Event Swing Band for the fantastic dance and entertainment music.

We would like to thank Jim Boomer for taking all of the wonderful photos of all of us enjoying the Christmas Party.
